### **QUESTION**

Describe ordinary in business administration in Mwenge Catholic University

At mwenge catholic university (MWECAU) the order diploma in business administration (DBA), program code D1POO2 is a 2 year core business area and requiring NTA level 4 (certificate0 of form six entry, offering practical skills form management rules within the university business studies department.

Business administration is a course in which we learn many things, including business leadership and how to make a business well known through different forms of advertising.

Business administration we also study laws related to business leadership, because laws provide various guidelines that help in achieving business success.

In addition, we learn basic accounting and calculations to ensure that we do not easily incur losses.

We also study computer studies, which greatly help us our daily work, especially in this modern era of technology.

Therefore, business administration is an important course and a key link to achieving effective success in business development, particularly for the growth of our society.
